Sir:

This is a response to the Decision on Petition ^{Technology Center 2600} dated September 17, 2002. The Office of Petitions dismissed Applicant's petition for reconsideration of the Notice of Omitted Item(s) In A Nonprovisional Application dated March 25, 2002. Applicant, therefore, is contemporaneously filing a Preliminary Amendment along with this Response as suggested by Office of Petitions under MPEP 608.02(a) to avoid further delay in the examination of the application.

Respectfully submitted,

Karl C. Hansen
